Description

GO USETECH is seeking a **skilled and motivated Carpentry Trainer** to provide practical vocational training to youth, refugees, and host community members in **Kyangwali Refugee Settlement, Kikuube District – Uganda**.

GO USETECH is a community-driven organization dedicated to **empowering youth and vulnerable communities through practical skills development, digital training, and entrepreneurship programs**. Our mission is to equip individuals with **marketable vocational skills that enable them to become self-employed, start small businesses, and build sustainable livelihoods**.

Through our carpentry program, learners gain hands-on experience in **woodworking, furniture production, and workshop safety**, enabling them to produce quality furniture and construction items for local markets. The program emphasizes **creativity, craftsmanship, and entrepreneurship**, helping trainees transform skills into real economic opportunities.

The Carpentry Trainer will deliver **practical and structured training** in woodworking techniques while maintaining a safe, inclusive, and productive workshop environment.

Responsibilities

- Teach **carpentry theory and practical woodworking skills**.
- Train learners in the **safe use of hand tools and carpentry machines**.
- Demonstrate techniques in **measuring, cutting, shaping, assembling, sanding, and finishing wood products**.
- Guide trainees in producing **furniture such as chairs, tables, beds, shelves, and cabinets**.
- Promote **quality craftsmanship and professional woodworking standards**.
- Maintain **workshop safety, cleanliness, and proper storage of tools and materials**.
- Monitor **tool and material inventory** and report equipment needs.
- Conduct **practical assessments and track learner progress**.
- Provide mentorship and encourage **teamwork, creativity, and entrepreneurship among trainees**.
- Prepare **training reports, attendance records, and final evaluations**.

Qualifications

- Diploma in **Carpentry, Woodwork Technology, Furniture Design, or a related field**.
- Minimum **2 years of practical experience** in carpentry or furniture production.
- Experience in **training or mentoring vocational learners** is an an added advantage.
- Ability to communicate in one or more community languages such as:
    - Swahili, Arabic, French, Luganda, Runyankole, Runyoro
- Experience working with **refugees or vulnerable communities** is desirable.

Job Benefits

- Opportunity to **empower youth and vulnerable communities with practical carpentry skills**.
- Work within a **mission-driven organization focused on community transformation through skills development**.
- Gain experience in **humanitarian and community-based vocational programs**.
- Opportunity for **contract renewal based on performance and funding availability**.
- Contribute to **sustainable livelihood development in refugee and host communities**.
