Graphics Design Trainer

Description

GO USETECH is looking for a **qualified and passionate Graphics Design Trainer** to provide digital design training to refugees and host community learners in **Kyangwali Refugee Settlement, Kikuube District – Uganda**.

The trainer will deliver both **practical and theoretical lessons** in modern graphic design tools, enabling learners to develop professional design skills for employment, freelancing, and entrepreneurship.

GO USETECH is a community-focused organization dedicated to **empowering refugees and host communities through ICT training, vocational skills, and livelihood programs** that promote innovation, employability, and self-reliance. Our programs prioritize **women, youth, persons with disabilities, and refugees**, ensuring equal access to skills development and economic opportunities.

Responsibilities

- Train learners in **Adobe Photoshop, Adobe Illustrator, Canva, and other graphic design tools**.
- Develop **lesson plans, training manuals, and practical assignments** for trainees.
- Guide students in producing **real-world, client-ready design projects** such as posters, banners, social media graphics, and branding materials.
- Monitor **student progress** and provide continuous mentorship and feedback.
- Prepare **weekly training reports and learner performance evaluations**.
- Promote **safe, inclusive, and supportive learning environments** for women and vulnerable groups.
- Maintain training equipment and ensure proper use of ICT tools.

Qualifications

- Diploma in **Graphics Design, Multimedia Design, Visual Communication, or a related field**.
- Minimum of **2 years experience** in graphic design or digital design training.
- Strong skills in **Adobe Photoshop, Illustrator, Canva, and other creative design platforms**.
- Ability to communicate in one or more local settlement languages such as: Swahili, Arabic, French, Luganda, Runyankole, Runyoro, Kigegere
