Tailoring & Fashion Design Trainer

Description

GO USETECH is seeking a **skilled and passionate Tailoring & Fashion Design Trainer** to deliver hands-on vocational training to youth, refugees, and host community members in **Kyangwali Refugee Settlement, Kikuube District – Uganda**.

GO USETECH is a community-driven organization dedicated to **empowering youth and vulnerable communities through practical skills development, digital training, and entrepreneurship programs**. Our mission is to equip learners with **marketable vocational and digital skills that enable them to start businesses, generate income, and become self-reliant**.

Through our tailoring and fashion design program, participants learn **garment construction, fashion creativity, and clothing repair skills**, enabling them to start small tailoring businesses, produce clothing for local markets, and build sustainable livelihoods.

The Tailoring & Fashion Design Trainer will provide **practical and structured training** in sewing, garment design, pattern cutting, and clothing finishing while creating an **inclusive learning environment** that supports women, refugees, youth, and persons with disabilities.

Responsibilities

- Train learners in **tailoring, garment construction, embroidery, and clothing repair**.
- Teach **pattern drafting, fabric cutting, stitching, fitting, and garment finishing techniques**.
- Demonstrate proper **operation and maintenance of sewing machines and tailoring equipment**.
- Guide trainees in producing **high-quality garments suitable for local markets and small businesses**.
- Develop **weekly lesson plans, training materials, and practical assignments**.
- Conduct **assessments and monitor learner progress** throughout the training period.
- Maintain a **clean, safe, and well-organized tailoring workshop**.
- Provide **mentorship and support to beginner learners**, especially women and vulnerable participants.
- Promote **creativity, teamwork, and entrepreneurship among trainees**.
- Prepare **training reports, attendance records, and final evaluations**.
