Graphics Designer

Description

The **Kitara Institute of Commerce, Media, Vocational and Social Development Studies** invites applications from creative and qualified individuals for the position of **Graphics Designer** at its **Main Campus in Hoima City, Uganda**.

Established in **1999**, Kitara Institute is a recognized training institution committed to delivering **practical, market-oriented education** that prepares learners for employment, entrepreneurship, and community service. Located in the **Albertine region within the Great Rift Valley**, the institute serves students from across Uganda and neighboring countries.

The institute offers **Diploma and Certificate programs** in journalism, business, tourism, ICT, social sciences, and vocational training. It is fully **licensed and registered with the Ministry of Education and Sports** and accredited by the **Uganda Business and Technical Examinations Board (UBTEB)** and the **Directorate of Industrial Training (DIT)**.

The **Graphics Designer** will support the institute's **media, branding, and communication activities** by producing creative visual content for marketing, communication materials, and digital platforms.

Responsibilities

- Design **posters, banners, brochures, logos, and promotional materials** for the institute.
- Produce **visual content for social media, website platforms, and digital marketing campaigns**.
- Support the **media and communication department** with creative design solutions.
- Maintain organized **design files, digital archives, and brand assets**.
- Collaborate with departments to develop **visual materials for academic programs, events, and campaigns**.
- Ensure **consistency in institutional branding and visual identity**.
- Assist in developing **multimedia content for institutional communication**.

Qualifications

- **Certificate or Diploma in Graphics Design, Multimedia, Visual Communication, or a related field**.
- Experience in **digital design, branding, or media production** is an added advantage.
